## GIVE ME STRENGTH

Nobel Prize Winner Rabindranath Tagore, Gitanjali

Where the mind is without fear and the head is held high  
Where knowledge is free  
Where the world has not been broken up into fragment  
By narrow domestic walls  
Where words come out from the depth of truth  
Where tireless striving stretches its arms towards perfection  
Where the clear stream of reason has not lost its way  
Into the dreary desert sand of dead habit  
Where the mind is led forward by thee  
Into ever-widening thought and action  
Into that heaven of freedom, my Father, let my country awake.

## An Overview

Cyber Research & Training Institute popularly known as CRTI ( Affiliated to The University of Burdwan) emerged as a well knit organization with a vision to promote excellence in the field of Computer Science, Biotechnology and Management Studies in multisectoral and multidisciplinary perspectives. The framers of this Institute dreamed to implement the best of academic practices, so as to produce successful and enterprising professionals for taking up future challenges under globalised market economy. It is a matter of great pride that the hard labour has paid and CRTI has become a dream-come-true establishment in reality to cherish. Being proud of its large infrastructural facilities with a total area of 24000 sq.ft., the Institute stands centrally at Burdwan town. The Railway Station within a five minute walking distance, the main market in close vicinity and the adjacent bus stand are added advantages and thus the Institute extends facilities to all in every possible ways. The Institute is presently conducting 4 years Honours Degree courses in Bachelor of Business Administration (BBA), Bachelor of Computer Application (BCA), Bachelor of Science in Biotechnology (B.Sc. Biotech) under the affiliation of The University of Burdwan many more new courses from the current academic session, like Data Science and Artificial intelligence (AI), Digital Marketing etc. The Institute is designed in a congenial environment to develop one's own abilities under the constant guidance of a team of well-qualified, dedicated and experienced Faculties. With a view to cater new courses of professional studies in Multidicipline the 2nd campus of the college at Dangacha near Burdwan Agriculture Firm is offcoming with all communities to cater need of the studies incoming year. The Management insists on a strict code of conduct for students and teaching staff fostering quality keeping in parity with the fundamentals of good education to contribute a better society of tomorrow.

## Vision

The broad VISION of the Institute is to generate scientific temper, global outlook and to incorporate excellency in the field of Computer Application, Biotechnology and Management studies in multisectoral and multidisciplinary perspectives. Particularly to keep space in the era of AI. The VISION is sought to be achieved through the following MISSIONS:

- ▶ To impart education in the much needed fields of advanced studies with greater perspectives in the rapid changing scenario.
- ▶ To implement the best of academic practices as to satisfy every member associated with it.
- ▶ To Optimise the usage of resources and infrastructure in an integrated fashion to improvise, enhance and strengthen the students' facilities.
- ▶ To install in the future Computer Professional, Biotechnologists and Management Professionals, a sense of life-long learning and participation, involvement and satisfaction as contributors to the wider development endeavour.
- ▶ To help the students to ensure secured job placements.
- ▶ To promote active participation in the field of Software development and Bio-Technology industry.
- ▶ To improve the efficiency and effectiveness at the managerial & administrative services at all level activities of the establishment.

# Infrastructure

The institute is situated at the heart of Burdwan town and provides large infrastructural facilities with existing furnished area of 24000 sq. ft. adjacent to Bus Stand and Railway station.

## Class Rooms

The classrooms are spacious, disturbance free, A.C., airy and separated by broad corridors. Sprawling learning zones for respective departments with labs and teachers' room nearby has been planned for convenience. The institute provides a well equipped conference room and an adjacent seminar hall with a corresponding corridor.

## Laboratories and Experimental Facilities :

- **Computer Laboratories:** Computer retains very large amount of information, makes expert judgement and takes accurate timely decision. To write and execute this task we have skilled professionals who have sound knowledge and experience. In order to impart latest knowledge to our young aspirants, CRTI provides Computers of upgraded generation with individual accessibility in 5 Nos well-equipped modern labs in networking environment with Internet Connectivity, UPS protection along with Air Condition, generator facility and under use of fully licensed software. Labs are also equipped with LASER Printers and Scanners, Projector to meet varied necessities. The labs have been designed to cater to the requirements of B.B.A., B.C.A., Bio Tech. students.

WI-FI  
CAMPUS

- **INFORMATION TECHNOLOGY LABORATORY:** CRTI provides a well equipped IT laboratory for the B.C.A. students. The laboratory is well covered with sophisticated electronic instruments, to undertake all the practicals implementation included in the B.C.A. practical syllabus. Our qualified and skilled IT professionals burden the responsibility in students' upbringing. The laboratory includes all the essential instruments like Microprocessor Trainer kits, various Analog circuits including Modulation kits, Sufficient number of Cathode Ray Oscilloscope, Digital circuit analyser, user projector for introvise demonstration.

- **BIOTECHNOLOGY LABORATORIES:** In order to convert young scientists to a valuable citizen of the society CRTI houses a well-equipped laboratory with sophisticated instruments and it is supported by adequate library facilities. The laboratory is sufficient to cover all the practicals included in the B.Sc. (Biotechnology) practical syllabus. A rich collection of standard microbial culture is in store and an endeavor is made to enrich the stock and maintain it for future use. The laboratory includes all the necessary instruments like Laminar Air Flow Chamber, Hot-Air Oven, Autoclave, Incubator, Magnetic Stirrer, Vortex Mixture, Mechanical Shaker, Centrifuge, Digital pH meter, Conductivity meter, Water Distillation plant, Over-Head projector, etc. The role of Biotechnologists in today's world is vital and indispensable. By creating accurate "Technical profiles" a remarkable academic performance arises and our experienced and qualified faculty members keep an eye on this. Particularly after COVID-19 situation as faced by.

# An Introduction to the Courses

In consonance with recent trends, B.C.A., BBA, B.Sc. Bio-Technology courses are introduced among the students of Cyber Research & Training Institute with the notion that they get chances of being exposed to up-to-dated technology. This will help them to enter the field of challenging jobs as IT professionals, Computer Professional and Biotechnologists. These 4-year Honours degree courses, Affiliated to The University of Burdwan are not only knowledge-based but also capable of serving the needs of the practical world. The syllabus is in touch with trends of the real life IT and Biotech market and the approach of managing these courses is purely professional unlike the same for conventional courses.

## Admission Procedure

### UG Courses:

After the declaration of Higher Secondary results, or ISC, CBSC, NIOS, IGNOU, RMV, NSOU or equivalent (candidate must have passed with atleast 5 subjects of 100 marks), the University holds an Entrance Examination for B.C.A. (Honours), BBA (Honours) and B.Sc. Biotechnology (Honours) Courses through releasing advertisement in the leading newspapers.

## Time of Admission

UG Courses: Probable time of admission is in June-July of respective academic year.

## Number of seats

UG Courses: The number of seats for all the Honours degree courses are restricted to 70 No.
